FR-LCD

The FR-LCD enclosure was designed to provide effective

physical protection against dust and vandalism. Like the majority of **BATKO** products, this product is entirely made of aluminum and is therefore light, yet strong. The window is made of antiabrasion polycarbonate easy to clean. The inside brackets with up/down and left/right adjustments allow proper positioning of the display. Two 110 ,100 CFM fans ensure adequate air circulation, which is essential to the proper functioning of the screen. Filters are provided for the air intake to prevent the infiltration of particles and dust.

LCD INDOOR ENCLOSURE

LANDSCAPE MODE	PORTRAIT MODE	DESCRIPTION
FR-LCD-17	FR-LCD-P17	Dustproof security enclosure with fan for LCD monitor 15" to 17", VESA
FR-LCD-20	FR-LCD-P20	Dustproof security enclosure with fan for LCD monitor 19" to 21", VESA
FSM-LCD-20	FSM-LCD-P20	Wall mount for FR-LCD-17/20 / FR-LCD-P17/20
FSP-LCD-20	FSP-LCD-P20	Ceiling mount for FR-LCD-17/20 / FR-LCD-P17/20
FR-LCD-32	FR-LCD-P32	Dustproof security enclosure with fan for LCD monitor 32", VESA
FR-LCD-37	FR-LCD-P37	Dustproof security enclosure with fan for LCD monitor 37", VESA
FR-LCD-40	FR-LCD-P40	Dustproof security enclosure with fan for LCD monitor 40", VESA
FR-LCD-42	FR-LCD-P42	Dustproof security enclosure with fan for LCD monitor 42", VESA
FR-LCD-46	FR-LCD-P46	Dustproof security enclosure with fan for LCD monitor 46", VESA
FR-LCD-47	FR-LCD-P47	Dustproof security enclosure with fan for LCD monitor 47", VESA
FR-LCD-50	FR-LCD-P50	Dustproof security enclosure with fan for LCD monitor 50", VESA
FR-LCD-55	FR-LCD-P55	Dustproof security enclosure with fan for LCD monitor 55", VESA
FR-LCD-60	FR-LCD-P60	Dustproof security enclosure with fan for LCD monitor 60", VESA
FR-LCD-65	FR-LCD-P65	Dustproof security enclosure with fan for LCD monitor 65", VESA
FSM-ENCO	FSM-ENCO-P	Wall mount for FR-LCD / FR-LCD-P
FSP-ENCO	FSP-ENCO-P	Wall/ceiling mount for FR-LCD / FR-LCD-P
FSPED-LCD	FSPED-LCD-P	Pedestal base for FR-LCD / FR-LCD-P
